Our MISSION

To transform the lives of at-risk boys in the Danbury community ...

... bringing a real sense of hope and a quality, Christ-centered education ...

... providing them with a safe and loving environment that promotes cognitive, spiritual and emotional growth for each boy

Academy Floor Plan

Open Enrollment

We WANT TO ...

- Take the "risk" out of "at-risk"
- Replace academic failure with academic success
- Help boys resist addictions
- Undergird a boy's home-and-family support
- Provide positive role models
- Raise each boy's self-esteem
- Bring hope where hope is lost
- Break the cycle of poverty
- Provide each boy a safe place to "be"
- Help boys gain skills for self-sufficiency
- Introduce boys to Christ and His power for living a meaningful life

Operating OBJECTIVES

- Assist each boy in gaining the skills, competence and confidence to succeed at the high school level and in life
- Help each boy overcome destructive patterns and behaviors that will keep him from succeeding
- Provide passionate, knowledgeable, Christ-centered teachers and advocates to lead the learning process
- Provide a clean, safe, loving learning and work environment for students and teachers
- Prepare each boy for a successful transition to high school
- Help each boy develop and implement an individual growth plan
- Introduce each boy and his parents to the love of Jesus Christ
- Get each boy the help he needs (counseling, drug treatment, etc.)
- Ensure parental involvement at all levels, supporting and enhancing the parent-child relationship
