The **New Hope College Tour** took place during the April break from school. As always, it was a huge success. This event is always a great opportunity for the young men and women to experience a taste of what college life will be like and to learn what they need to accomplish to be accepted into a college. It was a great learning experience for all who were on the trip. A firsthand report from one of the Pathways young men indicated that the trip will renew his commitment to get better grades in school so he can achieve his college goals. Thank you to the Cherry Street Association and New Hope Baptist Church for making this trip great each year.

➤ **There will be a MENTOR SUPPORT MEETING on Monday, May 19**, at St. James AME Zion Church, 45 Williams Street, Danbury.

The end of the school year will quickly be here. We should all focus on activities and jobs, etc., that will keep the boys busy and reduce their idle time. As we all know, idle time provides very fertile ground for Satan to do his work.

...

On April 26, the Pathways young men attended a Foundations of Respect and Courtesy workshop. The workshop stressed the importance of exhibiting respect and courtesy in all aspects of their lives. This type of workshop helps to chart the future paths of these young men.

BUILD FOR THE FUTURE
